

The following need to be created by tomorrow's class.

- ✓ Go to the course website and fill out the course questionnaire:  
<http://www.hscs4all.com/#!apcsp/m6kkx>
- ✓ Create a studio.code.org account. Your username must include your first and last name and school email. You should follow the camel casing standard which means jam all words together and start each new word with a capital letter. NO SPACES! For example my name would look like MsWilson or DebWilson. Then on the course website (hscs4all), click the correct link for the AP course that you are in to ensure that you have joined the digital classroom:
